

The Faculty of Dentistry at the University of Toronto

NEW Centre for Continuing Dental Education

Is your company seeking a dedicated venue for upcoming promotional or educational events?

The *Centre for Continuing Dental Education* — strategically located near Highways 401 and 404 in Toronto, with free and convenient parking — provides a quality space available for rental by the dental industry.

Affiliated with the prestigious *University of Toronto*, the Centre's well-designed space offers a 100-seat lecture hall with state-of-the-art audio visual system. It also provides a demonstration operator with closed circuit video projection featuring hands-on workstations for 32 individuals in a simulated laboratory environment.

Fully-functional workstations

Demonstration operator with closed circuit video

Large lecture hall with audio visual system

To book a tour of the *Centre for Continuing Dental Education*, the perfect venue for your future events for dental professionals, please contact:
