

HALBERT EXCHANGE PROGRAM
MUNK CENTRE FOR INTERNATIONAL STUDIES AT THE UNIVERSITY OF TORONTO
Halbert Network Fellowship — Stage I Application
FOR FELLOWSHIPS COMMENCING FALL 2011

INSTRUCTIONS:

Your Stage I application for a Halbert Network Fellowship must include all applicable documentation listed below (items I to III). These documents should be submitted together as one application package. The application package must be dropped off, or post-marked, no later than **FRIDAY, NOVEMBER 12, 2010**. Please address the application package to:

Halbert Exchange Program
Fellowship Application
Munk Centre for International Studies
1 Devonshire Place
University of Toronto
Toronto, Ontario M5S 3K7
Canada

DOCUMENTS TO INCLUDE:

- I. **Halbert Network Fellowship—Stage I Application Form**—The Application Form is found below. It can be filled out and printed in the free Adobe Reader. For the proposal abstract, you may find it convenient to cut and paste from your wordprocessor, however, italics, bold, or special characters cannot be pasted. In all fields but the Project Abstract, the text should automatically resize to fit the available space once you have finished entering the information. ***Please note:** the information you enter into the form cannot be saved. Therefore, you must fill out all of the information at once and then print it off.*
- II. **Current Curriculum Vitae**—Please include current CVs (with complete list of publications) for each of the University of Toronto Faculty team members as well as the current CV for the lead member of the Hebrew University Faculty Team.
- III. **Letter of Intent**—Your letter of intent should not exceed **1000** words. Please make sure each page is numbered and includes your name and “Network Fellowship” at the top. In addition, your letter of intent should describe (in a way accessible to a multi-disciplinary audience):
 - The research question, including its importance to your discipline and its relation to the existing literature;
 - Your methodology;
 - Your research plan (i.e., how you will go about concretely answering the research question), including an approximate time table;
 - The role, location, and anticipated audience for the conference; and
 - The final product of your research project.
