2009-2010 Global Year Against Pain

October 19, 2009 will mark the launch of IASP's **2009-2010 Global Year Against Pain**, which is an annual event to raise awareness of different timely aspects of pain. The theme for this year is "**Musculoskeletal Pain**". IASP chapters and individuals involved in pain research and treatment are organizing events in their communities to focus attention on this facet of pain, with the ultimate objective of improving pain relief in persons with cancer throughout the world. IASP is encouraging everyone to participate by organizing events, media releases, seminars, etc. throughout 2009 on the topic of cancer pain.

Please visit the IASP website for further information and updates: http://www.iasp-pain.org/AM/Template.cfm?Section=2009_2010_Musculoskeletal_Pain&Template=/CM/HTMLDisplay.cfm&ContentID=9310
