

SMC Residence Alcohol Code

These policies were enacted to ensure that SMC residents who choose to consume alcohol while on SMC property, do so safely, legally, and in a manner that respects the well-being and legal obligations of the College and its members. The following policies apply to all students living in residence at SMC as well as their guests:

1. No person under the age of 19 years may possess or consume alcohol in any area of the residence or College.
2. No alcohol may be sold either directly or indirectly (tickets, memberships, clubs, etc) within residence buildings or outside on the College grounds.
3. No person who is 19 years or older may provide alcohol either directly or indirectly, to anyone under the age of 19 years, or allow underage residents to consume alcohol in their room.
4. The consumption of alcohol is permitted by persons of legal age in only two areas of residence: a) individual residence rooms and b) house common rooms. Drinking in all other places including corridors, foyers, bathrooms, fire escapes, patios, or outside on any part of the College grounds, is prohibited.
5. Residents must obtain permission from their Don before a social event involving alcohol may be held in a house common room. Dons are required to monitor all such events and to work with the event organizers to ensure the alcohol code is followed.
6. The maximum capacity of house common rooms must be respected at all events involving alcohol.
7. No person may be intoxicated in any public area of the residence or College including house common rooms.
8. Drinking games that promote the rapid consumption of alcohol, or the use of instruments (e.g. funnels) to maximise or accelerate the consumption of alcohol, are prohibited. All activities that have excessive consumption or intoxication as their focus are prohibited.
9. Forcing or coercing people to drink alcohol is prohibited. Alcohol may not be used in hazing or initiation rituals.
10. Alcohol may not be given to students as prizes by members of the St. Michael's Residence Council, the individual House Councils, or the Dons.
11. Kegs of beer (including mini-kegs) are prohibited.
12. All events involving alcohol that are hosted by St. Michael's Residence Council, the individual House Councils, or the Dons are subject to the 'USMC Alcohol Policies for Student Sponsored Events'.
13. All advertising for events at which alcohol is available, whether on-campus or off, that has been designed, printed or commissioned by an SMC resident, may only make reference to alcohol in general terms (i.e. wine & cheese, licensed event, etc.) and may not mention specific alcohol products or providers.

14. Residents are responsible for the consequences of their own actions as well as the actions of their guests, whether or not they are under the influence of alcohol. Intoxication is not an excuse for delinquent behaviour.
